

QC Inspector (m/f/d) – Quality Control

Location: Jena | Department: Quality Control | Full-time | Shift Work- morning and afternoon

As a QC Inspector, you play a pivotal role in ensuring the highest quality standards of our products. You will work closely within our QC team to support production processes, incoming goods inspections, documentation, and continuous improvement activities.

Responsibilites

- Perform QC tests during ongoing production in a shift-based system
- Conduct incoming goods inspections for materials requiring testing
- Accept, control, and systemically record incoming goods in compliance with quality, safety, and process requirements
- Perform RGA tests (if applicable)
- Review QC records for correctness and compliance with relevant procedures, instructions, and specifications
- Register and document rejected parts
- Provide recommendations to improve QC systems, workflows, and processes
- Conduct QC-specific tests for internal and cross-functional teams (e.g., R&D, Complaints, Validation)
- Support general daily tasks when needed

Qualifications & Requirements

- Completed vocational training, ideally in a technical or craft profession
- Work experience in the pharmaceutical or medical device industry is an advantage
- Fast learner with strong attention to detail
- Team-oriented mindset with a strong focus on quality
- Basic English skills (B1) for everyday work communication and understanding of simple documents (e.g., delivery notes or instructions)
- Very good German skills (B2)
- Proactive attitude and flexibility, open to provide assistance in non-specific daily work tasks when and wherever needed

Our Benefits

- A secure, future-oriented position in medical device industry in a family-friendly work environment
- A meaningful role in a growing international company
- Comprehensive onboarding and training plan during your first six months
- Excellent work-life balance with 30 days of vacation
- Voucher cards which can be used for shopping, gas stations and so on
- Employer-funded retirement insurance and health insurance
- Regular team-building activities, employee events, and company celebrations
- A healthy, supportive, and collaborative work culture with weekly fruit baskets
- Contribution to Kita and other child support
